

About Us

Classic Wire & Cable (CWC) is a trusted supplier of high-quality wire and cable products serving the industrial, data center, commercial, residential, utility, and renewable energy markets, sold exclusively through electrical distributors. We are committed to providing a high-quality experience to our customers every time.

Count on Classic for Nationwide Inventory

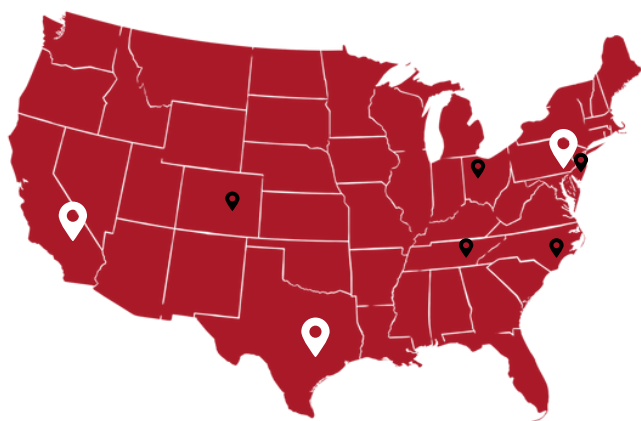

Our Locations

At Classic Wire, we carry one of the nation's largest inventories of wire and cable products across our three strategically placed distribution centers in Pennsylvania, California and Texas, as well as several rep warehouses in Colorado, New Jersey, North Carolina, Ohio, and Tennessee. The products you need are just a phone call away.

We are committed to delivering in days, not weeks!

Our Locations

At Classic Wire, we carry one of the nation's largest inventories of wire and cable products across our three strategically placed distribution centers in Pennsylvania, California and Texas, as well as several rep warehouses in Colorado, New Jersey, North Carolina, Ohio, and Tennessee. Our wide range of UL Listed wire and cable products includes aluminum building wire, Type MC armored cables, utility aluminum cables, and PowerGuard® copper MV power cables.

Our Services

What sets us apart is our dedication to going beyond just offering wire and cable. That is why we provide value-added services, such as paralleling, cut-to-order lengths, pulling eyes, same-day shipping on in-stock orders placed by 11:00AM local time, and more!
